DETAILED ACTION

Allowable Subject Matter

Claims 1-7, 9-11 and 20 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests an apparatus for driving a CCD image sensor which performs charge transfer operation in accordance with a pulse signal including an over-boosting circuit for temporarily over-boosting a voltage to a drive circuit to generate an over-boosted voltage exceeding a target control voltage for a predetermined time prior to the charge transfer operation of the CCD as claimed in independent claim 1.

None of the prior art teaches or suggests an apparatus for driving a CCD image sensor which performs charge transfer operation in accordance with a pulse signal having a power supply circuit, connected to a drive circuit, for supplying the drive circuit with a voltage for generating the pulse signal and wherein the drive circuit and the power supply circuit are formed on a single semiconductor integrated circuit substrate and the power supply circuit is enabled when the image sensor stops generating image sensor output signals as claimed in independent claim 7.

None of the prior art teaches or suggests an apparatus for driving a CCD image sensor which performs charge transfer operation in accordance with a pulse signal having a power supply circuit, connected to a drive circuit, for supplying the drive circuit with a voltage for generating the pulse signal and a control circuit connected to the power supply circuit, for controlling the power supply circuit, wherein the drive circuit

and the power supply circuit are formed on a single semiconductor integrated circuit substrate and the power supply circuit is enabled when the image sensor stops generating image sensor output signals as claimed in independent claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hoon Song whose telephone number is (571) 272-2494. The examiner can normally be reached on 8:30 AM - 5 PM, Monday - Friday.
